

# TRANSPORTATION ENHANCEMENT PROGRAM

## Certification Acceptance (CA) Confirmation:

Certification Acceptance (CA) is a program in which the Federal Highway Administration (FHWA) delegates authority to the Washington State Department of Transportation (WSDOT) for approving project development and construction administration on federal-aid projects. WSDOT has the option of further delegating this authority to qualified agencies. All federal-aid projects must be administered by a CA agency. Non-CA entities can apply for Transportation Enhancement funding, but they must have a CA agency sponsor the project. This sponsorship must be in place prior to applying for funds. All 39 counties in Washington State have CA status, as well as approximately 60 cities, and the six WSDOT Region Local Programs offices.

Non-CA entities must have this sheet signed by the CA agency that will administer the proposed enhancement project. This signed confirmation must be included with all project proposals submitted by non-CA entities.
